

RITE Touch™

Digital Glass Door Lock for Single or Double Doors

The RITE Touch – the Elegant Solution to Secure Glass Openings

The new RITE Touch digital glass door lock by Adams Rite brings new refinement and grace to keyless access solutions for glass openings.

The RITE Touch RT1050D offers sophisticated styling, convenience, flexible access control, and safety and security for single or double glass doors.

Perfect for indoor applications with no modification necessary to the glass, the easy to install, surface mounted RITE Touch combines elegant aesthetics with the latest touch screen technology. Distinguish the opening by harmonizing style and security with the RITE Touch.
